SHAKE-UP AMONG CONSULS.

Proposed Changes Go to Taft—Denby to Face Charges.

WASHINGTON, April 21.—It is understood to-night that a considerable shake-up in the consular service is impending, the most important feature of which is the recall from Shanghai of Consul-General Charles Denby to answer charges against him preferred by Lebbeus R. Wilfley, formerly judge of the United States Court at Shanghai. It is intimated that Judge Wilfley's charge is based upon some transactions in real estate in Shanghai, but whether Mr. Denby is accused of being directly concerned in them or not is not known.

In neighboring towns considerable damage was done. Ten dwellings were reported to have been blown to the ground in the southwestern part of the city. Many homes were burned, as the fire department could not attend to all of the calls.
